Mesa State College Rules:

As Mesa State Natatorium is a brand new facility, there are certain rules that everyone must abide by. For the state meet there will be no chairs, bags, food, towels etc. allowed in the viewing gallery directly above the pool. Also, there will be no saving of seats. It will be a place to come in and watch your swimmers then head across the hall to the gym to camp, sit, relax and eat. Mesa State will be providing closed circuit TV coverage of the swimming in the gym, a PA system will keep swimmers informed of the events being swum. Mesa State will also provide an outdoor space in the field behind the swim center where teams can set up day tents, but not on the astro turf field. A PA system will also be outside, swimmers can walk directly into the pool from outside, and parents will need to go around to gain access. The outdoor tents can stay until the end of the day

No parents or spectators are allowed on deck at Mesa State. Timers will check in at the hospitality area and be provided a badge to wear during timing which allows access on deck. Relief timers will be scheduled so that timers can have breaks. **There is no food allowed on deck and everyone including timers, officials, coaches and swimmers must wear water**

shoes or go barefoot. Swimmers will be allowed to hang out on deck but can not bring chair or coolers on the deck. Those who feel they can not abide by these rules will be asked to leave. The Natatorium is a wonderful facility and we are thrilled to be holding our meets here. Thanks for taking care of it.
